WHAT IS THERE TO DO IN KELSO?

In the beautiful city of Kelso, we are proud to offer many outdoor activities such as:

Hiking

Bicycling

Skate Board Park

Fishing

Boating

Hunting

Golfing

Motorcycle racing

Sporting events like baseball, wrestling, soccer, running and
football

[Climbing \(Mt. St. Helens\)](#) ^[6]

The City of Kelso takes great pride in the Southwest Washington Regional Airport. The City is committed to providing excellent service to all that choose to 'Fly Into Kelso'. We have hangars available and do not forget our 24 hour card lock fuel and 24 hour call out Jet Fuel.

We are also home to an Amtrak station in downtown Kelso. Kelso Train Station, formerly known as the Kelso Burlington Northern Train Depot, has been undergoing an extensive renovation since September 1994. It was formally dedicated on September 23, 1995.

In 2009, the City of Kelso opened Rotary Skate Park. This park is a top of the line Board, Bike and inline skate park. Hours are dawn to dusk. This new addition offers an entertaining, thrill seeking place to stop by and play.

While you are in Kelso you might want to take advantage of some great Shopping opportunities.

In addition, the community hosts the annual Highlander Festival which is held in September.
